One-way	Round-trip
¥3,030	¥5,340

 :JR Bus

Experience authentic Japan...

Orochi
One of the most spectacular Iwami Kagura performances, this is the tale of the god Susanoo slaying a giant fire-breathing serpent menacing an elderly couple and their children.

Ebisu
A lighthearted Kagura performance about the smiling god of fishermen, Ebisu, fishing along the seashore. Ebisu throws candy into the crowd as he looks for bait, so it is very popular with children!

Hiroshima → Hamada
